RE: Proposal to replace existing Tax Server

Dear Greg Woolard,

Thank you for giving Concept of Illinois the opportunity to provide our services. Your existing server was purchased new in 2009 and is in need of replacement due to security and age. The Server Operating system that is on the existing Tax Server is past its End of Life, meaning Microsoft has stopped supporting it and also stopped providing Security updates. Until the server is updated any new workstation will not be able to run the Tax software due to compatibility issues. Below you will find pricing for equipment needed to replace your existing Financial Server.

SuperMicro Server (35 Client Access Licenses)	\$9,925.00
