PROPOSITION

FRANKLIN COUNTY

To pay for public facility purposes, (improvements to county government buildings) shall The County of Franklin be authorized to impose an increase on its share of the local sales tax by one-quarter percent (.25%) for a period not to exceed 15 years?

YES

NO

This would mean that a consumer would pay an additional twenty-five cents (\$.25) in sales tax for every one hundred dollars (\$100) of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of the 15 years, if not terminated earlier by a vote of the county board.
