BLUF – BOTTOM LINE UPFRONT

Beginning April 28th, 2017 a multi-hazard severe weather event lasting several days affected the County by bringing elements of severe weather and damaging flooding. Some residents were forced to evacuate their homes. Local emergency services were forced to performed rescue operations to protect the lives of citizens trapped by flood waters. Flooding has caused damage to the local transportation system and critical infrastructure. Franklin County is forecast to receive additional rain later this week.

CURRENT SITUATION

Emergency managers from the agency have coordinated resource needs with local elected and appointed officials over the past few days. FCEMA has distributed 2000 sandbags for residential home protection. Coordination with County, City, and Township government entities as well as partner non-governmental agencies are ongoing. FCEMA is currently planning for additional flooding this coming week should the forecast come to fruition.

CRITICAL ISSUES

No critical issues at this time.

LIFE SAFETY

Search and rescue operations are complete at this time. Routine evacuations were performed in the Southern part of the County (a majority within the City of West Frankfort). One female was rescued from her sinking vehicle by West Frankfort Police after she drove through a flooded highway. No other life safety issues at this time

INJURIES/FATALITIES

NO major injuries or fatalities have been reported at this time.

STATUS OF UTILITIES

Utilities have been re-established in the affected area.

MASS CARE/VOLUNTEER AND DONATIONS

American Red Cross has shelter locations on standby. Residents who have been forced to evacuate have all current needs met. Flood clean up kits have been ordered from the ARC for distribution to the public.

ROADWAY STATUS

Several County, Township and Municipal roads have been affected. A thorough damage assessment will be required once the water has receded. A full list of road closures is being maintained at www.franklincountyil.gov/flooding.

CURRENT OPERATIONAL STATUS / REQUESTS FOR RESOURCES

LOCAL TO LOCAL RESOURCE/ASSISTANCE REQUESTS: Sandbags to West Frankfort, Williamson County.

STATE TO LOCAL RESOURCE/ASSISTANCE REQUESTS: None requested at this time.

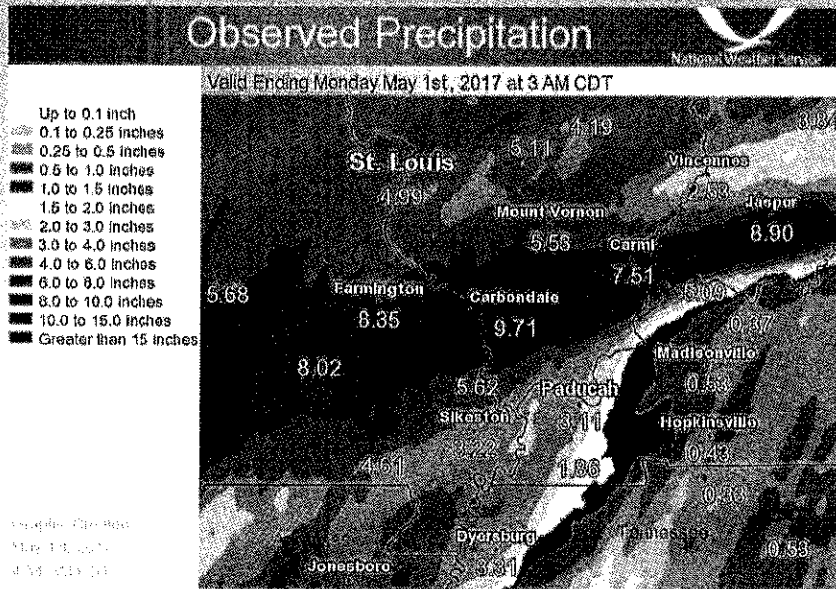

ELECTED OFFICIALS

FCEMA has provided updated reports to Franklin County Board Chairman Crocker, District 3 County Board Members (as available), Representative Dave Severin and Senator Dale Fowler's office.

ADDITIONAL COMMENTS / INFORMATION

FCEMA is currently contingency planning for more rainfall this week. We want to thank the exceptional hard work and dedication of the County Departments (especially the Highway and Sheriff's Office) of all the municipal agencies, and others who have professionally responded to this disaster to date. Please see the graphics below for observed rain and a model for the upcoming rain event (WED-THUR) below:

County Of Franklin, Illinois Disaster Declaration

Under the authority of the Illinois Emergency Management Act and the Franklin County Emergency Management Ordinance, I, Randall Crocker, Chairman of the Franklin County Board upon recommendation of the Director of the Emergency Management, do hereby declare that a state of disaster exists within the jurisdictional boundaries of the County of Franklin, Illinois and its municipalities due to the following reasons:

Beginning April 28th, 2017 a multi-hazard severe weather event lasting several days affected the County of Franklin in the State of Illinois by bringing elements of severe weather and damaging flooding. Some residents were forced to evacuate their homes as flood waters entered several residential structures. Local emergency services were forced to performed rescue operations to protect the lives of citizens trapped by flood waters. Flooding has caused extreme damage to the local transportation system and critical infrastructure. This disaster has and will continue to cause the resources of the County of Franklin and its municipalities to be overwhelmed.

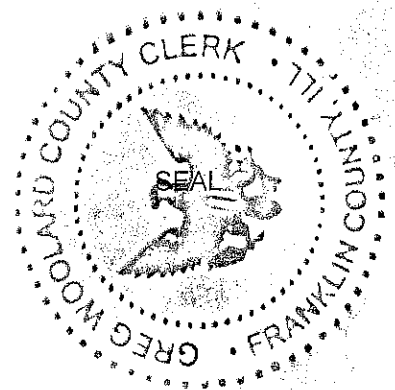

Director of Emergency Management Ryan M. Buckingham is ordered to proceed with all haste to bring said disaster to a rapid conclusion for the best interest of the citizens of the County of Franklin pursuant to the Illinois Emergency Management Act and the Franklin County Emergency Management Ordinance.

This declaration is effective on this 1st day of May, 2017, and shall expire on the 7th day of May, 2017 unless extended by the Franklin County Board.
