**PROPOSITION**

**FRANKLIN COUNTY**

**FRANKLIN COUNTY LOCAL SALES TAX**

To pay for public facility purposes, the construction of a new Franklin County Courthouse, shall the County of Franklin be authorized to impose an increase on its share of local sales taxes by one percent (1%) for a period not to exceed 20 years?

- YES
- NO

This would mean that a consumer would pay an additional one dollar (\$1.00) in sales tax for every one hundred dollars (\$100) of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of the 20 years, if not terminated earlier by a vote of the county board.
