GRACE PERIOD VOTING DATES

WHAT IS GRACE PERIOD REGISTRATION? Grace period registration is an extension of the regular registration deadline. Grace period registration authorizes each election authority to establish procedures for the registration of voters and for change of address during the period from the close of registration for an election through Election Day. Although the traditional voter registration period closes 28 days prior to the election, grace period registration extends that deadline from the 27th day prior to an election through Election Day. Grace period registration is only available “in-person” at the Franklin County Election office at the dates listed below and at Denning Township Hall on Election Day.
