WHEREAS, the replacement of the Franklin County Courthouse with a new facility is necessary to the citizens of Franklin County ; and

WHEREAS, Franklin County is authorized pursuant to 55 ILCS 5/5-1006.5 to impose a sales tax increase to provide revenue to be used exclusively for public facility purposes in Franklin County, if a proposition for the tax has been submitted to the electors of Franklin County and said proposition is approved by a majority of those voting on the question; and

WHEREAS, a sales tax increase would decrease the burden on paying for the new facility on property owners as it would spread the costs to visitors and other persons who buy goods in the county;

WHEREAS, The Franklin County Board desires to place a “sunset” on any sales tax increase authorized by the voters pursuant to this resolution and proposition of 20 years; and

WHEREAS, The Franklin County Board desires to place a proposition on the April 4, 2017 Consolidated Election Ballot, to give the voters of Franklin County an opportunity to decide if Franklin County’s share of the sales tax should be increased by one per cent (1%).

1. A Proposition regarding the imposition of a sales tax increase of one per cent (1%) for public facilities purposes shall be submitted to the voters of Franklin County at the April 4, 2017 Consolidated Election.

2. The Proposition to be submitted to the voters of Franklin County at the April 4, 2017 Consolidated Election shall be read as follows:

To pay for public facility purposes, the construction of a new Franklin County Courthouse, shall the County of Franklin be authorized to impose an increase on its share of the local sales tax by one percent (1%) for a period not to exceed 20 years?

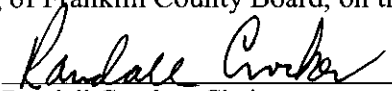

Yes ()

No ()

3. As additional information on the ballot below the Proposition shall appear the following:

This would mean that a consumer would pay an additional one dollar (\$1.00) in sales tax for every one hundred dollars (\$100) of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of the 20 years, if not terminated earlier by a vote of the county board.

PASSED AND APPROVED at the regular meeting of Franklin County Board, on this 13TH day of JAN., 2017.
