FRANKLIN COUNTY FINANCIAL REPORT (CASH BASIS)  
May/June 2016

I. GENERAL COUNTY REVENUE

June 30 marked the completion of 58.3% of our fiscal year. The chart below shows year-to-date revenue for major line items along with a comparison of last year's receipts for these items at the same point in time. The third column represents our FY 2016 budget for these items, and the final column shows what percentage of the line item we have actually received.

Please take note of the areas of concern. Our total FY2016 revenue is on-track to be less than our FY2015 revenue.

## II. GENERAL COUNTY DISBURSEMENTS

The chart below shows departmental expenditures through June 30.

The Probation department will likely exceed its budget by over \$20,000. This is due in part from the transition from Jefferson County to Franklin County. The Superintendent of Schools department will likely exceed its budget by over \$35,000. However, this increase in expenditures will be accompanied by a similar increase in revenues.

The drastic decrease in revenues means that if all departments meet their budget for expenditures, the general fund will go deeper in the red. The board may need to consider reopening the budget address the decrease in revenues.
