The Franklin County Sheriff's Office is pleased to announce that a \$24,000.00 grant was recently received by the department. The Community Facilities Grant was obtained from the United States Department of Agriculture and will be used to replace a patrol vehicle within the aging fleet. The receipt of this grant is also a great cost savings benefit to the tax payers of Franklin County.

The addition of a new patrol vehicle will help ensure that Deputies continue to have the equipment needed to safely and effectively fight crime in Franklin County. We extend our thanks and gratitude to the area USDA employees who worked diligently to secure the funding for this project.

Sheriff David Bartoni
