November 30, 2019

Comm Squad is pleased to present this proposal for the Campbell Building in Benton, Illinois. This effort will result in the successful installation of a structured cabling system.

Scope of Work

Technical services for this project include:

Structured Cabling

- Install three (3) 48-port patch panel frames in Owner's equipment rack.
- Install two (2) CAT 6 cables at each of one hundred and seventeen (117) locations. CAT 6 cables will be supported by J-hooks. All cables will be terminated, labeled, and tested.

All work will be performed in a neat and professional manner by IBEW labor. The project will be supervised by a Registered Communications Distribution Design (RCDD) staff member.

All backboards, cable tray, ducts, conduit, sleeves, bushings, stub ups and outlet boxes, tele-power poles, telecommunications bonding backbone, raceways, floor boxes and plates, fire block devices, and firestopping are to be provided and installed by others. Permits and inspection fees, if applicable, are not included in this proposal.

Pricing and Rates

Comm Squad will perform the stated work for **\$29,960** plus applicable sales tax.

Voluntary Alternate 1: Build a Telecommunications Room as follows:

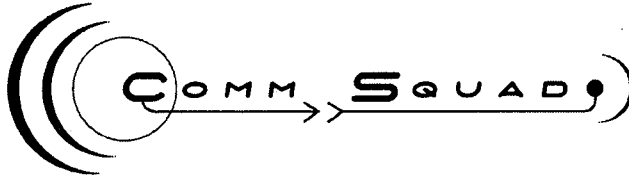

- Install one (1) 2-post rack equipped with four (4) horizontal cable managers.
- Install cable runway (aka ladder rack) over the rack and from wall-to-wall (for cable management and seismic support).
- Install one (1) telecommunications grounding busbar (TMGB) and ground the rack and the runway to the TMGB.
- Add \$2,375.

Schedule

Work will be coordinated to coincide with actual construction progress.

Terms and Conditions

- Invoices will be issued to correspond to project progress. If work is stopped for reasons beyond Comm Squad's control an invoice for the work completed and equipment purchased will be issued.
- Terms are Net 30.

8670 US Hwy 50
Lebanon, IL 62254

- Quoted rates are firm for 30 days.
- Additional work outside the scope of this project will be handled on a time and material basis.
- No warranty is provided for cables that are painted and the replacement of cables damaged by paint will be handled on a time and material basis.
- Comm Squad maintains insurance for vehicles, Workers' Compensation, and General Liability. Any additionally required insurance(s) are not included in this proposal.
- If this proposal meets with your approval, direct a signed copy to:

Comm Squad
Attn.: Bill Crocker
8670 US Hwy 50
