Per the Sub-Recipient Agreement, RLATC is sending this request for written approval from the County Board for travel (outside IL and MO) to London Kentucky. RLATC will "reimburse travel for its employees or agents at a rate not to exceed the rate approved by the County".

We are requesting travel for 1 car and up to 3 people that includes 2 days and 1 night. Cathy Crawford (Secretary /Treasurer), Rick Linton (Executive Director) and Barb Linton (Volunteer) are tentatively planning this travel to the S3DA National Tournament at London Kentucky, June 17-20.

The purpose of this travel is to become acquainted with the S3DA management team, collect information and observe the S3DA National Tournament at London Kentucky, June 17-20. RLATC has never sponsored or hosted such an event. As the contractual sponsor of the S3DA National Tournament to be held at Rend Lake in June of 2022, we expect this travel will help RLATC better represent Franklin County and better meet the S3DA expectations so the event will be successful and return to Rend Lake.

This S3DA event is expected to benefit local businesses and the county by bringing more than 5,000 visitors to Rend Lake for the 4-day tournament. Also, after this 2022 S3DA tournament is successful, we expect many other archery tournaments will schedule at Rend Lake in years to come.
