Specifications for Benton Evening News Demolition

Franklin County seeks bids from qualified contractors for the demolition of the Benton Evening News building. The building is single-story, 5,000 Square Feet.

Asbestos inspection of the building has already occurred, and the building does not contain asbestos.

CONTRACTOR REQUIREMENTS FOR BIDDING

1. The contractor shall provide proof of demolition permit obtained from the City of Benton.
2. The contractor shall furnish proof of insurance coverage within ten (10) days of "Notice of Award".
3. Franklin County requires prevailing wages to be paid for the demolition project.

DEMOLITION REQUIREMENTS

1. Before a structure can be demolished the contractor shall notify all utilities having service connections within the structure, such as water, electric, gas, sewer, and other connections. The demolition contractor will be responsible for excavating and capping the sanitary sewer lateral nearest the property line, and prior to backfilling, this capping shall be inspected by the Franklin County Engineer. A permit to demolish the structure shall not be issued until a release is obtained from all utilities, stating their respective service connections and all appurtenances, such as meters and regulators, etc. have been removed or sealed and plugged in a safe manner.
2. Notice to adjoining owners: Only when notice has been given by the contractor to the owners of adjoining lots and to the owners of wired or other facilities, of which the temporary removal may be necessitated by the proposed work, shall a permit be granted for the removal of a building or a structure.
3. Upon bid selection and contract award, the contractor shall, simultaneous with his/her delivery of the executed contract, shall furnish a surety bond or bonds as security for faithful performance of this contract and for the payment of all persons performing labor on the project under this contract and furnishing materials in connection with this contract, as specified herein. The surety bond or bonds as security for faithful performance, must be in the amount of the bid price of the contract, and is required upon submittal to the city of the signed contract. The surety on such bond or bonds shall be a duly authorized surety company satisfactory to Franklin County.
4. The erection of necessary barricades, walls, fences, etc. for safety of the public shall be the responsibility of the contractor. Note: the contractor shall provide additional backfill as needed.
5. Lot regulation: Whenever a structure is demolished or removed, the lot shall be restored to the established grades of adjacent properties and assure property drainage of stormwater. Foundation walls and footing shall be removed to not less than twenty-four inches (24") below finished grade. Only approved gravel and soil fill may be used. Contractor must notify the Franklin County Engineer for final inspection.
6. A safe is present in the building, and shall be saved.
7. All bidders shall post a bid bond in the amount of five percent (5%) of the bid for the structure, and the bid bond must be submitted with the contractor's bid. All bonds must be in the form of a certified check, cashiers' check, or money order. Cash will not be accepted as a bid bond. Unsuccessful bidders must pick up bid bonds in the Clerk's office upon award of the bid.
8. All work shall be completed within thirty (30) working days, unless otherwise described.

ΣΡΑ .

9. Special wastes that may be present, such as lamp ballasts; thermostats, batteries, and similar items must be managed and disposed-of properly. Air-conditioning or similar units with refrigerants must also be managed and disposed-of properly.
10. Payment shall be made upon the completion of demolition of each structure with the approval of work by the Franklin County Board. Landfill receipts are required prior to payment.
