- Purpose of grant:
  - > Increase the availability of high-quality prevention services that have the greatest potential to impact factors that contribute to ATOD consumption and consequences of 11-18-year-olds.
- ROE 21 has been funded to provide PRESCRIBED evidence based services in **Franklin, Williamson, and Saline Counties**. These services are limited to:
  - > Communication Campaign targeting youth (Implementation Phase) at Central Jr. High School in West Frankfort, and Harrisburg Middle School in Harrisburg. This is the continuation of a program already being implemented in these schools.
  - > Communication Campaign targeting youth (Implementation Phase) at Eldorado Middle School.
  - > Communication Campaign targeting communities (Implementation Phase) in Franklin County, Saline County, and the City of Marion.
  - > Creation of Underage Drinking Coalitions in Franklin, Williamson, and Saline Counties. The goal is to utilize the coalition to expand our reach of service even further to schools and communities.
- Based on recommendations from SAMHSA, the Department will focus on the Strategic Prevention Framework and Coalitions. It is their hope that these coalitions will be able to sustain efforts at a community level.
- Major emphasis is placed on efforts to curb underage drinking, as data indicates this to be the greatest substance abuse problem with youth.
- Works in partnership with the Center for Prevention Research and Development (U of I Chicago) to promote the participation of Illinois schools in the Illinois Youth Survey (IYS).
- Works in partnership with the Illinois Liquor Control Commission (ILCC) to ensure Illinois' compliance with the federal SYNAR regulations. CPR staff accompanies ILCC staff on vendor compliance checks in southern Illinois upon request.
- The Lustenberger and West traveled to the Washington, D.C., area for the federal Substance Abuse and Mental Health Service Administration (SAMHSA's) National Prevention Conference. There they presented their campaign and were recognized as innovative and effective.
