

7/15/2024 Transportation Committee Meeting Attachment 1

Custom, wrought iron design with bronze service medallions (maintenance-free)  
 Conceals view of the generator and visible above parked vehicles

Plaques honoring Police / Fire / Emergency  
 Possibly Wars and John A Logan History

Dedication Bricks and larger pavers  
 for purchase and custom inscription  
 Part of fund raising for memorial

Larger sponsorships will be solicited  
 to cover Memorial project

May include marble or wrought iron  
 benches as sponsored additions

Hand Rails South and East sides.

Hand Rails are needed to avoid risk for visitors.

The entire Northwest section would include a concrete access  
 on the South entry with a walkway around the section.  
 The inner part of the section would be brick pavers.  
 All grass would be removed.

**A comprehensive design and budget is being created for approval.**
