Benton, IL 62812

Franklin Co. Juvenile Center- Detention Hardware Test

Our Base Bid proposal will include furnish and install of the following:

- Per the site visit of 9/14/2022, the detention locks at 15 locations are having control and lock issues, Valley suggests replacing these locks and door position switches, as follows:
 - (5) 122M Jamb locks, reuse existing cylinders.
 - (7) 126MC Jamb locks, reuse existing cylinders.
 - (3) NS400 Narrow jamb locks, Reuse existing cylinders where applicable. (2 locks are completely missing from door).
 - All locks and DPS will be tested after installation.
 - All Material is 12-14 week lead times after keying and hardware approval.

Base Price: \$57,400.00

Valley Security Company would like to thank you for the opportunity to submit this proposal. If you should have any questions on the proposal, please feel free to contact me.

Respectfully submitted,

Valley Security Company
