Good News!

We have a number of blueprints of the facility. I will see what I can come up with. They are large paper copies. Not sure how I would submit them electronically.

Hello Sheriff Bacon! We met back in November regarding ICCS possibly establishing a youth shelter at the old Franklin County Juvenile Detention Facility. We have been in contact with DCFS to figure out what all we would need to do to get licensed. DCFS mentioned they would need to tour the building to see if it meets the guidelines but before then, they have requested a diagram of the building with dimensions. I was wondering if you had that available or if that was something you could get for me to pass along. Thank you and I'm looking forward to hearing from you!
