Sale Accounts with Potential Equity**

**TREASURER:** The sale accounts listed below *may* have some equity related to the principles stated in Tyler v. Hennepin Cnty., Minnesota, 143 S. Ct. 1369 (2023).

We suggest you set aside the Potential Equity amount shown in the event a claim is made by the prior owner.

Our calculations are based on the limited information we have. We compare the County Auction proceeds to the final redemption amount. There may be additional taxes due for the current year and/or forfeitures that were not part of the original certificate. There may also be additional costs that we do not have in our data. These are only estimated amounts. Any sale accounts not shown on this report do not have potential equity, meaning the County Auction proceeds are less than the redemption amount. If no accounts are shown, then no current sale accounts have potential equity.
