Re: Benton Country Club Survey  
Subdivision Variance

Dear Sirs:

I, Victor Shockley, on behalf of the owners Benton Country Club at Country Club Road, Benton, IL, am requesting a variance of the Franklin County Subdivision Ordinance. They will be dividing 6.03 acres as an adjoiner of the Carl Skinion Property to the club with 1.25 acres remaining as the Skinion Property (See Plat of Survey). I am requesting that this variance be approved by the Franklin County Board due to the remainder being less than 2 acres.

Yours very truly,

Victor W. Shockley,  
Illinois Professional Land Surveyor No. 3621

"Variance approved by Franklin County Board on 12/16/24"
