Subject: Opioid Abatement Funds

Good morning Gayla,

I would like to be placed on the agenda at the next board meeting in reference to requesting funding from the opioid abatement funds. When Flip Minton retired we were left without a Cellbrite operator. A Cellbrite Instrument is used by law enforcement to extract data and other information from cell phones and electronic devices. We currently have a Cellbrite machine and paid roughly \$6,000 in annual subscription fees prior to Flips retirement.

The closest available training is scheduled for Dec. 3rd – Dec 7th in Nashville, TN. The cost of the training is \$4200.00 and travel (hotel fees) will be \$696.89 (total - \$4896.89).

Thanks,
