To the People of Franklin County,

As part of an effort to inform the public of the current financial condition of the courthouse, the Franklin County board passed a resolution on February, 19th 2019 that required an annual report to the public.

This report includes info relating to the 1) outstanding debt owed by the county for the construction of a new courthouse, 2) projected date the debt owed will have a zero (0) balance, 3) projected cumulative sales tax revenue estimate, 4) projected project cost, and 5) claims paid as of this report.

The information below is as of June 30th 2023:

1) Outstanding Debt:
