

Resolution # 2026-59

ADOPTING THE TRI-COUNTY SOLID WASTE AND RECYCLING MANAGEMENT
PLAN

WHEREAS, Franklin County, Illinois recognizes the need for safe and effective management of solid waste and recyclable materials;

WHEREAS, compiling such a Plan will help the county and municipalities recognize their capabilities and future needs regarding recycling and solid waste management;

WHEREAS, a completed waste management plan will aid Franklin County and jurisdictions within in securing future grant funds related to waste management and recycling;

WHEREAS, an adopted waste management plan is a requirement per 415 ILCS 15, or the Solid Waste Planning and Recycling Act;

WHEREAS, Franklin County participated jointly in the planning process with Williamson and Jefferson Counties as well as other local units of government within the planning area to create the Plan;

NOW, THEREFORE, BE IT RESOLVED, that Franklin County, Illinois hereby adopts the updated Tri-County Solid Waste and Recycling Management Plan as an official plan; and

BE IT FURTHER RESOLVED that Greater Egypt Regional Planning and Development Commission will submit on behalf of Franklin County, the final Plan and signed resolution to the Illinois Environmental Protection Agency for review and approval.

ADOPTED THIS 18TH Day of MAY, 2026.

County Board, Chairman
