Franklin County Board Members,

I regret to inform you that I, Alexis St George resigned my position as the Franklin County Animal Control Supervisor as of April 22nd 2026, 4/22/26.

I know this is unexpected, and I do not intend to inconvenience the county with this news. I hope you will accept my most sincere apologies for such short notice, please know I am happy and more than willing to assist in the process to find my replacement to keep the facility running at the standards it is now in any way, shape or form. I can and will be available for phone inquiries following my resignation date, and before my final departure from the state I will check in on the facility as much as possible to ensure everything is running smoothly. I have given Bobbi Blaylock access to all my documents, current proposals, and project materials she will need to continue down the right path to complete the dream I have for this facility.

I cannot thank everyone enough for the support and great opportunities I've had to grow professionally, learn new skills and contribute to this county. It has truly been a rewarding experience working alongside such great agencies, and fellow colleagues. My time at Franklin County Animal Control has been one of the most fulfilling chapters in my life, and I will always look back with gratitude. It has been an absolute pleasure to ensure public safety for Franklin County.
